**ABB Inc.**

### Drives, Motors and Low Voltage Products & Systems

Low voltage AC variable frequency drives from 1/4 HP to 6,000 HP, regenerative AC drives, NEMA 4X drives, ultra-low harmonic drives, DC drives 5 HP through 3000 HP.

Stock and Custom AC & DC Motors from fractional HP to 10,000 HP. Baldor and Reliance Electric motors are in stock at our Clackamas, OR up through 500HP.

Low and medium voltage IEC motors and machines from 0.5KW to 25,000 KW.

AC & DC contactors, motor starters, molded case circuit breakers, mini-breakers, disconnect switches, phase monitors, power supplies, pushbuttons, reduced voltage starters, terminal blocks, time delay relays, and surge suppressors.

**ALLIED  
MOULDED  
PRODUCTS, Inc.**

**Allied Moulded Products, Inc.**

NEMA 4X fiberglass and polycarbonate industrial control enclosures up to 72" high with custom colors and cutouts. New to Allied is their HMI Cover Kits and Inspection Windows.

**Entelec, a Division of TE Connectivity**

Terminal blocks, electronic interface modules, remote I/O and connectors

**DONGAN  
TRANSFORMERS**

**Dongan Transformers**

Single & three phase dry type transformers, control transformers, buck-boost & isolation transformers

SYSTEMATIC TECHNOLOGY

**LUTZE Industrial Cable**

Flexible industrial control and power cables such as LUTZE Silflex®, LUTZE Superflex®, and DRIVEFLEX® VFD cables.

**Meltric Corporation**

Switch Rated 3-Phase Plugs and Receptacles; industrial and hazardous duty, up to 600 amps & multi-pin plugs

**Rittal Corporation**

The world's leading enclosure manufacturer, climate control, and power distribution, Rittal offers the broadest line of enclosure products and accessories with standard off the shelf design and int'l certification and acceptance.

*Carmody Company, Inc. was founded in 1960 and has served Pacific Northwest Industry by representing quality manufacturers from around the world. We are proud to represent the first class companies listed above and look forward to serving you.*
