VFD Applications

ABB AC and DC Low Voltage Variable Speed Drives

MTE reactors, harmonic filters, motor protection filters

Lutze flexible shielded VFD cables, high flex motion cables, encoder feedback cables, industrial Ethernet, and control cables.

Comsys open and enclosed active harmonic filters

Control Panel Applications

Rittal enclosures, climate control, busbar systems

Allied Moulded non-metallic enclosures

Antaira industrial managed and unmanaged Ethernet switches, POE, WAP's

Socomec fused and non-fused disconnect switches, transfer switches, metering

Lutze 7mm relays, signal isolators, 24V circuit protection, panel systems, power supplies, UPS, make up wire

Ground fault detection components for grounded, ungrounded, and high resistance grounded networks

TE/Entelec terminal blocks and power distribution blocks

Dongan control power transformers

ABB PLC's and HMI's (AC500 and CP600 Series)

Power Distribution, Monitoring, Protection, Reliability

Exiscan IR scanning windows for thermal imaging

Socomec Autotransfer Control, Power Metering, UPS (100kVA), and Energy Storage Systems

SAI Advanced Power Solutions LV and MV Switchgear and Switchboards

Ground fault detection components and systems for grounded, ungrounded, and high resistance grounded networks

Miscellaneous

Century Wire & Cable Temporary Jobsite Power Distribution & Lighting Solutions

Dresser/Andco Premium Electrical/Mechanical Linear Actuators
